Katie Berry of Rochester spent summers at her family's cottage near Popham Beach, Maine.

Her family had to sell the cottage a few years back, but Berry, 28, will get to celebrate one of the biggest days of her life at a resort near where she has fond Maine memories.

Berry and her fiance, Brendan Bayer, 29, of Brighton are the winners of the first Pure Maine Wedding Giveaway sponsored by Sebasco Harbor Resort in Maine.

The couple's YouTube video was among five finalists selected from 20 entries from across the country.

"I just couldn't believe it," says Berry. "I never win anything like this."

Bayer and Berry's black-and-white video discusses how they met, Berry's family history in Maine and why the couple wanted to win the Pure Wedding Getaway.
