Sebasco Harbor Resort

Set in mid-coast Maine on the eastern side of Casco Bay, this family-owned resort offers a happy jumble of modern pleasures, like kayaking and spa-ing, and retro fun, like candle-pin bowling and scenic boat tours in an ancient excursion boat. Located a ten-minute drive from Popham Beach State Park—easily one of the sweetest stretches of sand in the state—Sebasco Harbor Resort is set in a quiet little pocket between suburban Portland and bustling Boothbay Harbor. Time seems to have stood still here, making it a great place to savor the old-fashioned pleasures of summer.
