

# Site to be Seen A Snug Harbor

By Katherine Tandy Brown, *Small Market Meetings* | November 2004

“Our stores are customer-service-oriented, and that’s something we look for in a meeting site. Sebasco is the best at that.”

*Kathy Scribner, Hannaford Brothers*

“The staff were so accommodating and friendly. And they offer so many things to do. We cruised on the Ruth and played golf and candlepin bowling. For the party, they had a barbecue lunch by the Pro Shop and then set up a lobsterbake by the pool that evening. Everybody loved it
