Sebasco Harbor Resort puts kid-friendly spin on upscale Maine Stays

Travel Weekly
By Felicity Long

After a long day of boating and swimming followed by a dinner of fresh lobster, my family and I settled on our private porch to watch a wedding on the lawn situated between our cottage and the sea.

In just two days, it had become evident that Sebasco Harbor Resort, which marks its 75th anniversary this year, can handle all types of weddings or events . and the group dinners and special activities that go along with them . in stride.
