

Jean MacKenna Marshall

1928-2017

A tribute to our dear friend

As many know but some may not, our beloved Jean Marshall passed away this spring after her 89th birthday. She was one of my dearest friends and one of the finest employees I've ever met in our industry.

For those who are interested, we're dedicating a new covered bridge at the second hole of our golf course to her contribution to us and her love for this beautiful place.

The dedication will on Sunday, July 16th at 3:45 PM, followed by a gathering to share stories with Jean's family and friends. Any attendees who want to spend the night on Sunday can do so for \$99. Just call the front desk and let them know you're coming to visit Jean's Bridge.
