Sebasco Harbor Resort is Pure Maine! Since 1930 Sebasco has been welcoming guests to a spectacular vacation destination of over 550 acres on the rocky mid-coast of Maine. Sebasco offers waterfront, woodlands, and gardens, in a delightful village setting on Casco Bay.

Sebasco's unique mix of accommodations include the Lighthouse, Main Lodge, luxurious suites and cottages that range from one bedroom to ten bedrooms. The Cottages are perfect for a romantic getaway, a family reunion or a corporate retreat.

Sebasco Harbor Resort lets you experience the freedom, natural beauty and endless outdoor recreation that are the essence of a pure Maine vacation experience, all just less than one hour from Portland. There is a salt water pool surrounded on three sides by the ocean, a challenging golf course, a full-service waterfront spa and two restaurants with stunning views of Casco Bay. Recreation opportunities include golfing, sailing, kayaking, biking, fishing, tennis, authentic Maine lobster bakes, and blueberry pancake breakfasts.

Just imagine yourself...kayaking along miles of rocky coast with harbor seals and bald eagles as your guides, swimming in a salt water pool and immersing yourself in relaxation at a waterfront spa, savoring fresh-off-the-dock lobster and wild blueberry pancakes, and sleeping in a lighthouse, tucked in by a blanket of thick, salt air. That's Sebasco. That's Pure Maine!
