

Your Grill Away from Home

Sebasco is always your home away from home, so this season we have added another ‘venue’ option for those on the **Modified American Plan** – grilling at your own cottage! We have secured a limited number of Coleman grills for evening use and we will provide the grill, utensils and one of two Grilling Options to choose from. We will deliver the cooler of food to your cottage, as well as the grill package and pick it up the next morning. Reservations must be made 24 hours in advance with the number in your party on the meal plan.
